PATHWAYS TO
INDIE PUBLISHING

SATURDAY 9 MAY 2026, 9AM-5PM

Whether you are thinking about publishing your own books, or have already self-published, our Indie Publishing day will provide you with a wealth of skills and knowledge about what to expect – right now.

Formats, design, covers and marketing are changing all the time, and technology is, too. Staying up to date is a challenge you can meet with the right know-how and where to find it.

Come along and hear from a range of experts, including *USA Today* best-selling authors Wendy Vella and Cheryl Phipps, as well as children's publisher and illustrator Deborah Hinde. Experienced local authors will also share their publishing and marketing knowledge.

Thanks to our CCS grant, the fee for the day will be **\$60.00** with lunch included!

Venue: Apprentice Restaurant, NorthTec campus, 51 Raumanga Road, Whangārei.

Bookings open 2 March 2026 at [Trybooking Link](#)
